Re: Daniel Hoke

To Whom It May Concern;

Daniel Hoke is an athlete on the Cincinnati Landmark Eagles football team. This year, our team was selected to play in the 3<sup>rd</sup> Annual Homeschool Football Classic (HFC). This is quite an honor, and an exciting experience for our athletes. The highlight of the HFC is that the high school athletes get to play a game in an NFL stadium. This year the game will be played at AT&T Stadium, the home of the Dallas Cowboys!

Our team has spent the last several months preparing and fundraising for this event. Students will miss classes **Wed. August 21<sup>st</sup> through Fri. August 23<sup>rd</sup>** – this includes travel to and from Dallas, a day of practice and preparation, game day, and a day of community service (working with the disabled population in Dallas). Our return flight to Cincinnati arrives around midnight on Saturday; therefore, students will return to class on Monday, August 26<sup>th</sup>.

Students have been advised that they are responsible for discussing their upcoming absence with their teachers to coordinate completion of all assignments while away from the classroom. We greatly appreciate your understanding; the date chosen for this game was beyond our control, as it was dependent on availability within the NFL schedule.

Sincerely,

A handwritten signature in blue ink that reads "Jason Hoke". The signature is written in a cursive, flowing style.

Jason Hoke, President  
Cincinnati Landmark Eagles

***“One God. One team. One fight.”***
