WHAT IS THE MULCH SALE?

We have partnered with Evans Landscaping to sell their mulch as a fundraiser for Landmark Football.

1. Our prices are close to Evans retail prices, but a portion of the sale goes to your football fees and Landmark Football.
2. We sell both bag and bulk mulch.
3. The sale runs now through May 31st.
 - a. The last day to place order is May 31st, orders can still be picked up after this date.

HOW DOES THE MULCH SALE HELP YOU?

This fundraiser can lower your player fees!

1. 75% of the profits from each sale you make will go towards your player fees, 25% of the profit goes to Landmark football as a whole.
 - a. Quick Math - the average bulk yard of mulch will put \$7.50 towards your fees. The average single bag will be over \$1 to your fees.

An order of 30 bags + player delivery = Over \$50 to your fees!

2. There is a delivery by Landmark Player option. If you are willing to deliver the order, then 100% of this delivery fee goes towards your player fees.
